

Dear [MP's Name],

I am writing to you as a constituent in urgent need of assistance regarding a grave situation affecting [Patient's Name], who is suffering from Myalgic Encephalomyelitis (M.E). I am deeply concerned about their current condition and the inadequate care they are receiving at [Hospital's Name].

[Patient's Name] is [brief description of patient's condition and situation]. Despite the severity of their illness, they have been [specific issue or action taken by medical professionals, e.g., sectioned by a consultant who denies the legitimacy of M.E.]. This disbelief in their condition has led to a series of detrimental decisions regarding their care, including [brief description of consequences, e.g., denial of proper treatment and support], all of which are concerning deviations from the NICE Guideline for ME/CFS.

This situation is not only distressing but also life-threatening for [Patient's Name]. As their [relationship to you, e.g., parent, caregiver], I am deeply concerned about their well-being and the lack of appropriate medical care they are receiving. It is imperative that action is taken immediately to address this grave injustice and ensure that [Patient's Name] receives the compassionate and evidence-based care they deserve.

I am reaching out to you as my elected representative to intervene in this matter and advocate on behalf of [Patient's Name] and others who are suffering from M.E. I urge you to use your influence and resources to ensure that [Patient's Name] is provided with the necessary medical attention, including access to specialists who understand and can effectively treat their condition.

Furthermore, I implore you to take steps to raise awareness about M.E within the medical community and advocate for better training and education on this debilitating illness. It is crucial that healthcare professionals are equipped with the knowledge and understanding to provide appropriate care and support to patients like [Patient's Name].

I would be grateful for any assistance you can provide in addressing this urgent matter and ensuring that [Patient's Name] receives the care and support they urgently need.

Given the importance of this matter, I kindly request a meeting with you to discuss [Patient's Name]'s case in further detail and explore potential avenues for action. Your assistance and support would be greatly appreciated.

Thank you for your attention to this urgent issue. I look forward to your response and action on behalf of [Patient's Name] and others affected by M.E.

Sincerely,

[Your Name]
