### Action for ME - Terms and Conditions of a Charity Place

- If you don't raise £350 by 14th April 2027, then we may ask you to consider topping up funds raised to meet the minimum total. This ensures we can cover all costs associated with your place and maximise the income that goes towards our work with people affected by ME.

### Deferring or Cancelling Your Place

- That you will let us know if you can no longer participate in the event, or if your circumstances around running change, as soon as is possible.
- Should you wish to defer your place due to injury, you must contact Action for ME as soon as possible to let them know.
- Deferrals are approved on a case-by-case basis. To defer your place, you will need to have met the fundraising targets and milestones above.
- Should you wish to defer your place to the following year for a non-injury reason, this will be decided on a case-by-case basis by Action for ME, and Action for ME will use their discretion in deciding whether your place can be deferred to the following year.
- If your deferral request is approved your registration fee and funds raised will be carried over to the next year.
- If you wish to cancel your place at any time, your registration fee will not be refunded. Any funds you have raised will be non-refundable and will be treated as donations to Action for ME
